GFA Office Visit

Morgan Stanley believes capital has the power to create positive change in the world. The biggest and most impactful changes come from people like you. If you come to Morgan Stanley, what will you create?

If you want to hear how you can put your talent and ambition to work and be part of a team that creates positive change, join us at our office visit aimed at students from all degree disciplines and years of study.

You will not only have the opportunity to learn more about Morgan Stanley and the work we do but also hear from junior and senior representatives why we believe our culture is a real differentiator.
