Strategize to Win: German Women's Networking Event

Morgan Stanley believes capital has the power to create positive change in the world. The biggest and most impactful changes come from people like you. If you come to Morgan Stanley, what will you create?

If you want to hear how you can put your talent and ambition to work and be part of a team that creates positive change, join us at our Women Insight Afternoon aimed at students from all degree disciplines.

This event is designed to provide you with an introduction into our organization and the work we do. Through interactive sessions you will have the opportunity to experience first-hand what working at Morgan Stanley would be like and meet some of our female employees and other role models who are creating change in the organization. This event will be followed by informal networking drinks in the office.

Come and experience why we believe our culture is a real differentiator and how we enable you to be the best you can be.
