VICTORIAPARTNERS – Uncompromised Real Estate Advisory and Capital Markets Research

VICTORIAPARTNERS provides expert advisory services, innovative corporate finance solutions and outstanding execution capabilities to its corporate, financial sponsor and institutional clients in the German speaking real estate sector. We offer real estate investment banking services and capital markets research in two principal business divisions: Advisory and Research.

Over the last decade, the founding partners of VICTORIAPARTNERS have built and run the real estate businesses for three bulge bracket investment banking firms in the geographic region of Germany, Austria and Switzerland. Our unique partnership combines more than 50 years of professional experience in the German speaking property sector, and represents a significant share of the actual real estate investment banking business which was executed in this region over the last ten years. The four founding partners of VICTORIAPARTNERS have advised on more than 80 successful real estate M&A and capital markets transactions since 2002.

VICTORIAPARTNERS has been founded in 2013 with the objective to provide uncompromised, industry-leading financial advisory and equity research services to owners, investors and operators of real estate assets in German-speaking Europe. The firm is committed to deliver to its clients focused, best-in class advice, analysis and execution on superior content, context and sector connectivity.

Advisory Services – Job Description (March 2018 onwards, for a minimum of 3-months)

We are looking for high-calibre interns in our advisory team. You will be part of a business that provides integrated solutions in strategic and M&A advisory, as well as equity and debt capital markets to institutional clients in the real estate sector. You will have the opportunity to be involved in and contribute to providing advice and execution in M&A projects, including disposals, acquisitions, spin-offs, takeovers and takeover defence and joint ventures solutions, as well as equity and debt capital raising activities such as IPOs, rights issues, equity-linked issues, bond issues and LBO financings. Our internships are compensated in line with investment bank levels.

Qualifications

- Bachelor Degree or higher in economics, finance or similar course of studies
- Excellent MS Office knowledge
- Advanced Excel skills
- Very good English language skills, basic language skills in German
