Eurex Bonds was founded in October 2000 as a joint venture of Eurex Frankfurt AG and leading international banks. It is an electronic off-exchange trading platform (MTF) for wholesale cash trading in fixed-income securities and treasury discount papers. Eurex Bonds is the leading platform for German government bonds. Without them Deutsche Börse Group would not have developed into one of the most modern exchange organisations in the world. More than 5,300 employees work for the Group - a dynamic, motivated and international team.

**Student Assistant - Eurex Bonds**

Duration: at least 12 months / Start: immediately / Working hours: 15-19 hours per week

As Student Assistant - Eurex Bonds you will have the outstanding opportunity to gain insights into our company's various fields of activity. You will work in the core team of Eurex Bonds GmbH where you will deal with highly-varied tasks in the management of an electronic trading platform for European bonds within the Deutsche Börse Group. This involves customer care and information, the selection and analysis of new products and their commissioning. Furthermore, you will gain insights into internal structures and interrelated matters at a stock-exchange-like financial services provider, offering its services through the systems and networks of the Deutsche Börse Group.

**Tasks**
- An assistance with market analyses focusing on electronic bond trading
- Support of sales activities
- An assistance with product upkeep and regular tasks in the trading operation

**Requirements**
- Students must be enrolled in an academic programme recognised by the state during their internship
- Completed second semester in Businessadministration or Information Technology could be a plus
- Completed training as qualified bank officer an advantage but not required
- Proficiency in written and spoken English and German
- Competent handling of MS-Office applications (especially MS Word, Excel and Access)
- Research experience (Bloomberg / Internet) desirable
- Basic knowledge of securities trading desirable

There are numerous good reasons to work for us: responsibility at an early stage, an international work environment and a varied internship-/studentprogram.
